VOTERS WILL ELECT TWO ASSESSORS ON MARCH 4

Action Taken by Board of Selectmen As Assessor Clarence A. Moore Resigns Because of Ill Health—Leaves Two-Year Unexpired Term to Be Filled—Office Sought by Sampson and Homer

An unexpected turn in the current election campaign for town offices, aroused interest this week, when it became known that Assessor Clarence A. Moore, of Walnut street, had decided to resign from that office and to resign as of February 1. As a result, the voters will be called upon to elect two members to this important board at the annual town election on March 4.

The board of selectmen at its regular meeting Monday evening considered a communication from the board of assessors advising the Town Fathers that Mr. Moore, who has been in ill health, had decided to resign from the board. Mr. Moore was re-elected to the board last March and had two more years to serve before his term expired. Ordinarily the unexpired term would be filled by vote of the remaining members of the board of assessors and the board of selectmen. However, since a municipal election is to take place a month after the resignation becomes effective, the selectmen felt it the best interest of the community to leave the choice of a new assessor to be filled by the voters. As a result, the voters will be called upon

to elect an assessor for a three-year term, this office being held now by Assessor Guy W. Edwards, whose term expires this year; and another assessor for two years, to fill the vacancy left by Mr. Moore.

Already in the race for the three-year term are Ralph Hoffman, William O. Hauser and Miss Anna B. Callahan, and a lively contest is assured.

The same will be true in the contest for the two-year term on the same board with two strong candidates already in the field. They are Roger W. Homer of 25 Addison street and Arthur W. Sampson, of 21 Cliff street, both of whom took out nomination papers soon after it became known that Mr. Moore would resign.

Mr. Homer has been active in local political and social circles for over a quarter century. He has taken an outstanding part in the affairs of the Arlington Chamber of Commerce.

Two Badly Hurt In Auto Crash

Two people were seriously injured when the heavy car in which they were riding crashed into a Boston Elevated pole at the corner of Massachusetts and Bartlett avenues, early Tuesday morning. Both are at the Symmes hospital.

The injured were John P. O'Neil, of 109 Porter street, Somerville, and Eleanor F. Galgay, of 100 Prospect street, also of Somerville. O'Neil suffered a fracture of the left knee and multiple abrasions about the face. Miss Galgay suffered a fractured skull, laceration of the nose and lacerations about the arms and legs. Her name was placed on the danger list.

A citizen on Bartlett avenue, who heard the crash, telephoned the police station nearby and the ambulance as well as a cruiser car were sent to the scene. When police arrived, they found O'Neil, driver of the car, wedged in the wreckage in such a way that he could not be removed. The fire department sent its emergency truck to the scene to aid in rescuing the trapped autoist.

A mail box attached to the pole was ripped off by the force of the impact. The car had to be towed to a garage.

All officers, directors and delegates of participating groups and organizations are urged to attend. Annual reports of expenditure of funds and details of the work accomplished in the community the past year will be heard.

The general public is invited to attend this meeting.

LOCAL FINNISH RELIEF COMMITTEE ORGANIZED

Arthur J. Mansfield Elected at Organization Meeting Held Monday Evening—Forty Representatives of Local Groups Meet to Discuss Plans for Benefit Concert to Take Place February 22—Next Meeting to Be Held February 7

The Arlington Finnish Relief fund committee was organized Monday evening at a meeting held in the hearing room of the Robbins memorial town hall. Arthur J. Mansfield, publisher of the NEWS, was elected chairman.

The local committee was formed at the instigation of Arlington post 1775, Veterans of Foreign Wars which sent out invitations to thirty-five local organizations urging them to participate in the work of the local relief committee. About forty representatives of various Arlington groups responded to the invitation and were present at Monday's meeting. Mr. Mansfield was appointed honorary chairman and spoke briefly on the aims of the committee. He said in part: "That Finland is as democratic as the United States is true, racially, physically and socially. It seems to be true that every Finn, rich or poor, is ready to go down fighting if need be."

King Gustaf of Sweden's statement that "all the humanitarianism and material help possible with due consideration for our own position, is due Finland," is typical of the feeling of other neutral countries. Mr. Mansfield told his listeners, referring to what the United States has already done, he mentioned that Former President Herbert Hoover, national chairman of the Finnish Relief fund committee in this country, has already announced the Fund has reached the million mark. He expressed hope that the people of Arlington would do their bit to help alleviate suffering in war-torn Finland where ruthless attacks by Russian armies have been going on for several weeks.

Election of permanent officers then took place. Olaf Peterson, past commander of the V. F. W. post, was elected vice chairman; Felix V. Cutler, secretary; and John A. Bishop, treasurer; J. Wilbert Anderson, chairman of the program committee; Mrs. D. I. Donahue, chairman of the ticket

Capacity Audience at First Baptist Men's Class Special Meeting

The Men's Class of the First Baptist Church held a special evening service in the church auditorium, on Sunday, before an audience numbering 480. The class orchestra of 24 members was featured in a special musical program conducted by Foster Brown. Dr. Grady Feagan, class teacher and pastor, was the speaker. Dr. Feagan spoke on "The Greater Church of Tomorrow".

President Karl M. Place conducted the service and extended greetings to all and especially to delegations from Lexington, Malden and to a group of 30 people who came from Haverhill, the home city of President Place and Vice President William I. Huston.

After the service the Haverhill party was entertained at the home of Mr. Huston. President and Mrs. Place were present. The evening was spent in singing. Miss Isabelle Huston played cornet solos.

Men's Class Briefs
Next Sunday Dr. Feagan will speak to the class in the church banquet hall at 12:05 p. m. On February 13 a joint Valentine's supper with the women of the church will be held. Roger Jenks, chairman of the social committee has arranged a program of musical numbers and a colored moving picture entitled "Canadian Rockies Holiday".

Thursday evening the class orchestra gave a concert at the Clarendon Presbyterian Church in Somerville for the Philo Club of young women of that church.

Woman's Club Enjoys Most Unique Program

On Thursday, January 18, the Arlington Woman's club held its regular meeting in the Robbins Memorial Town Hall. The President, Mrs. Fred U. Wyman, presided. During the business meeting she introduced Mrs. Clayton Hager, director of the seventh district, who spoke briefly of the work and meetings of the Federation of Districts.

A very unique program entitled "A Dining Room Symposium" was planned for the afternoon. The stage setting was an attractive dining room. A formal tea was being served, and the guests attending were Mrs. Ernest Benshimal, Mrs. Marcus L. Sorenson, Mrs. Robert Cook, Mrs. W. R. Des Marais, Mrs. Clifford E. Strout and Mrs. Elmer Barber. Another guest was Arthur T. Bent, an interior decorator. Mr. Bent showed many combinations of wall paper, curtain materials, and coverings for chair seats. He not only showed what could be done in a new house, but illustrated what could be accomplished with modern materials in an old dining room. Among lovely fabrics displayed by Mr. Bent were a white and a pale blue material made from glass. These were to be used for curtains.

Mrs. Edith Cooley, of Cooley's, Inc., dealers in chinaware, gave some interesting suggestions in the setting for a formal dinner. With her talk she showed some very lovely china and glassware, which was exhibited on a table in front of the hall.

Miss Roberta Green, hostess for the tea, and a popular radio speaker, gave an interesting talk on "The Psychology of Hospitality." She described a hobby party, and called attention to the table set for a buffet supper. Miss Green gave some suggestions for parties for the younger members in the family. Some fabrics for use in setting a table were shown. Miss Green explained that it is the simple party and table that is smart. Personality was stressed and she stated that hospitality is one of the important essentials of our every day life.

The committees cooperating in the making of this program were the art committee, Mrs. John K. Beery, Jr., chairman; the drama committee, Mrs. Curtis K. Pinkham, chairman; the prudential committee, Mrs. William R. Bares, acting chairman; the American home committee, Mrs. Archibald C. Loveys, chairman; and social committee, Mrs. Harold E. Wilson, chairman. The entire program was in charge of Mrs. Grady D. Feagan, chairman of the program committee.

Of particular interest was the lovely table set for a 25th anniversary, arranged by members of the art committee.

The guests for the afternoon were members of the Garden club.

Red Cross Nutrition Service

WHAT FRUIT JUICE DO YOU USE?

A recent article in "Nutrition Notes" gives some interesting information as to the money value and the vitamin C value of the following fruit juices.

A half-cupful of grapefruit juice (canned) and orange juice furnish the same amount of vitamin C, but the cost of the orange juice either canned or fresh is almost double.

A half-cupful of tomato juice (canned) furnishes only half as much vitamin C as the citrus fruit; the cost is a little more than grapefruit and a little less than orange juice.

A half-cupful of pineapple juice (canned) furnishes about a fourth as much vitamin C as grapefruit juice and the cost is nearly twice as much. Two cupfuls are necessary to give the "protective" amount of vitamin C for the day.

Vitamin C helps to fight infection and to protect teeth and bones. It is not stored in the body so that the supply needs to be replenished each day. And remember that on exposure to the air it quickly loses its vitamin C content so do not prepare until ready to use.

MIRIAM S. BLACK, Nutritionist.

CHURCHES OF CHRIST, SCIENTIST

"Truth" is the subject of the Lesson-Sermon which will be read in Churches of Christ Scientists, throughout the world, on Sunday, January 28.

The Golden Text is: "Oh Lord, thou art my God; I will exalt Thee, I will praise Thy name; for Thou hast done wonderful things: Thy counsels of old are faithfulness and truth" (Isaiah 25:1).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The preparations of the heart in man, and the answer of the tongue, is from the Lord. By mercy and truth iniquity is purged; and by the fear of the Lord men depart from evil" (Proverbs 16:1, 7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "It is essential to understand, instead of believe, what relates most nearly to the happiness of being. To seek Truth through belief in a human doctrine is not to understand the infinite. . . . The understanding of Truth gives full faith in Truth, a better spiritual understanding is better than all burnt offerings" (pp. 265, 266).

D. A. R. Hear Talk by High School Teacher

Menotomy Chapter, Daughters of the American Revolution, at the January meeting held in Junior Library Hall, heard a most interesting talk by Mrs. Edwin S. Moffatt, teacher of history in the Arlington high school.

Mrs. Moffatt presented an accurate picture of general conditions in the different countries of the world as they exist today. The meeting was presided over by the Regent, Mrs. Melville H. Root, and the message of the President General of the National Society, was read by the vice regent, Mrs. A. William Platten.

Through the efforts of Miss Bernice O. Newborg, who is chairman of the Committee on Approved Schools, Christmas boxes containing quantities of clothing, money and gifts, were sent to Hillside School at Marlboro, and to Northland College, Ashland, Wisconsin. Letters were read at the meeting from Dr. Brownell, president of Northland College, and Mr. Sanford, superintendent of Hillside School, expressing in the highest terms their appreciation of Miss Newborg's fine work. Menotomy Chapter feels itself fortunate in having such a tireless worker for the cause.

Northland College and Hillside School are two of the 17 schools receiving aid from the National Society, Daughters of the American Revolution. These schools have the endorsement of their State Society, and contribute to the aid of children not otherwise provided with educational facilities. During the past few years many buildings have been erected through the generous gifts of individuals, chapters, state and national societies.

HELP WITHOUT FEAR

With the launching of the Arlington Finnish Relief Committee, Arlington people have an opportunity to give effective expression for the helpfulness they feel for the Finnish people.

The Finnish Republic is the one nation in Europe to which we loaned money in 1930 that has fulfilled its promise to pay in every respect. This fact has aroused a desire in our people to aid them in their hour of tribulation. We believe that we should give Finland all the aid we can give and remain within the letter and spirit of our neutrality law.

Even Americans who feel no need to help the Allies in their war with Germany, see clearly the issue raised by Finland's heroic defense against Soviet aggression. Even Americans who fear that governmental aid to Finland would involve the United States in war, can give freely and without fear through the unofficial Arlington Committee which is cooperating with the Hoover relief organization.

KIWANIS 25TH ANNIVERSARY

It is fitting and proper that we should take recognition of the 25th anniversary of Kiwanis. The achievements of the organization during the quarter century of its existence are a source of pardonable pride to those who have a part in its activities.

Twenty-five years ago Kiwanis was unknown. Today it stands for high idealism in civic activity, development and progress. It emphasizes the importance of the human equation. Its work among the underprivileged children, Girl Scouts, Boy Scouts and boys and girls generally is well known.

The motto of Kiwanis is "We Build". Kiwanis is built on a foundation of idealism and service. May it continue to build better men, better communities and a better society.

DEWEY IN BOSTON

Judging by public response and newspaper comment, Thomas E. Dewey appears to be by far the most popular candidate for the Republican nomination for President.

Mr. Dewey has made a very favorable impression in New England. His speeches have been forceful, his audiences enthusiastic and political leaders have been impressed.

Launching his campaign in Minneapolis, Mr. Dewey returned to the assault, and carried it a step farther. Starting with facts which should help a good many citizens to count the cost of Federal Government and understand that it is ultimately paid not by the rich but by ordinary folk, he struck hard.

The New Deal stands condemned because its policies have prevented the employment of nine million Americans who want to work.

That statement may be hard to prove. And Mr. Dewey was not wholly persuasive in his simple equations when he attempted to show that the increase of public debt was related to a decline in private investment. It will need more figures and more study of concurrent causes to prove that Government spending has caused unemployment.

But in his urging that private investment and free enterprise are the main hopes of recovery, Mr. Dewey is sound. And to the extent that it has discouraged private enterprise, the New Deal can be fairly charged with encouraging unemployment. How positive encouragement can be given to honest business is the question that most needs answering. Every candidate of every party—is coming closer to the time when an answer will be required.

SENATOR BORAH AND U. S. ISOLATION

In the death of Senator William E. Borah, this country has lost a man who may well be classed among our greatest statesmen. For the past quarter century, Senator Borah exerted great individual influence on this country's conduct of foreign affairs. He frequently emphasized his distrust of European power politics, and his death last week, blocked his plans to wage a new national campaign for a foreign policy to keep us out of war.

Senator Borah frequently argued for a course of independent American isolation which he believed was being abandoned. It was his hope, at the time of his untimely death, to map out a plan whereby he might write into the Republican party's platform a plank declaring a hands-off policy during the present conflict abroad. He feared that the Administration's policies would eventually lead us into war. Senator Borah was a man of remarkable courage, one who never hesitated to speak his mind if he was convinced that what he said and stood for was for the best interest of the country which he truly loved. As ranking minority member of the Senate Foreign Affairs committee, he leaves a vacancy which will be difficult to fill.

Not only the State which he represented, but the nation as well, has lost a great representative in Congress.

The NEWS OBSERVES

Specialized treatment for specialized cases is given countless people in Arlington every year by hospitals in Greater Boston's Community Fund. Last year Community Fund hospitals provided 4,980 days of ward care to men, women and children of Arlington. Forty per cent of this care was rendered on a free or part-pay basis. Arlington is one of 46 cities and towns in the Greater Boston area which is being solicited, Jan. 22 to Feb. 6, in support of these hospitals and other health and social service agencies which serve and protect the entire metropolitan area.

When six young men started a row on Medford street early yesterday morning, they really started something. The sextet was arrested for disturbing the peace.

The Massachusetts Co-operative Bank League has launched a new State-wide advertising campaign, using newspapers, subway boards and car cards. The new campaign began January 4. The League officers believe strongly in the soundness and worth of the Co-operative Banking plan which has proved its helpfulness to hundreds of thousands of Massachusetts residents in past years, that they have decided the ideas that originated and developed the 134 Co-operative Banks in this state should be made familiar to everyone.

Our sympathies are extended to Executive Director Deane W. Moores of the Arlington Boys' Club, whose father, Henry W. Moores, passed away in Somerville this week. Funeral services will be held this afternoon at 2 o'clock at the John Bryant Sons Funeral Home, 181 Broadway, Somerville.

The NEWS goes places. In fact we have known for a long time that copies of our paper are sent away to friends in all parts of the country. However, this week, we were surprised to learn that one of last week's copies of the NEWS was mailed to New Zealand by George Kenney, past president of

Executive Director Moores presented a four-page report reviewing the Boys' Club's first two years of progress and outlining the aims for the future. His report included a table of figures showing, among other things, that the total attendance at the Boys' Club headquarters, 4 Swan place, during the past year was 32,429, over three thousand more than during the first year of the club. A total of 642 members are enrolled in the club, including boys of all ages. A total of 14,138 boys took part in the club's athletic and physical education program last year. Through its free employment service, the Club has placed 210 boys, seven of them in full time steady employment.

Arlington D.A.V. Chapter Officers Are Installed

At the last regular meeting of Arlington Chapter No. 49, Disabled American Veterans of the World War, its recently elected officers were installed by Department Commander A. Richard Zurluh of Lowell, who was accompanied by Department Adjutant Joseph H. Glills, and assisted by Past Commander Francis D. Loran of Mystic Valley Chapter, Medford.

Those installed were: Commander John V. Geary; Senior Vice Commander, John F. Sullivan; Junior Vice Commander, George R. Dahlquist; Treasurer, Clifford L. Day; Adjutant, John S. Burns and Chaplain, Howard J. Boulicotte.

The ceremony, which took place at the chapter quarters, was followed by a banquet and round table discussion of organization matters.

To Elect Two Assessors

(Continued)

will at all times to do more than his share in various community affairs. His many friends feel that this would be a proper time for the voters to reward him by making him an assessor for the two-year term, at the coming election.

It was with much regret that the news of Mr. Moore's resignation was received since he has held the position of assessor with dignity and distinction ever since 1923 when he was first appointed. Mr. Moore was appointed to fill the vacancy left by Egbert Stackpole, who resigned to take up a position at Mt. Holyoke college. Mr. Moore has been re-elected ever since.

While interest in this week was centered upon developments in the contests for assessor, nomination papers were taken out by several candidates for various other offices. Mary Helen Teale, of 11 Jason street and Arthur J. Wellington, of 86 Pleasant street, will seek an other three-year term on the board of trustees of the Robbins library. Roy B. Crosby of 10 Fairview avenue, will seek a similar term as sinking fund commissioner. Ernest H. Freeman, of 11 Lincoln street, took out papers for re-election as trustee of the Pratt fund and Roscoe R. Perry, of 82 Bartlett avenue, seeks re-election as trustee of the Farmer Fund. The term for the latter two offices is five years.

Kiwanis Marks 25th Birthday

The twenty-fifth anniversary of the founding of Kiwanis International was appropriately observed by the Arlington Kiwanis club at its weekly meeting in Wyman's tavern yesterday noon. The special anniversary meeting was arranged by the program committee, Arthur J. Mansfield, chairman.

The meeting opened with the singing of "America" after which guests of the club were introduced. They included Dr. Franklin P. Hawkes, superintendent of schools in Arlington and past president of the Arlington club who gave the principal address on the subject of Kiwanis; Rev. Joseph Fitzgibbons, pastor of St. Jerome's church who gave the invocation; and Selectman Harold M. Estabrook, who extended the greetings of the town. Also present were representatives of various organizations given financial support by the Kiwanis club as part of its underprivileged child work.

These representatives included Robert L. Moore, president of the Arlington Boys' Club; Mrs. Harold O. Yeames, of the Arlington Girl Scout council; and Miss Clai-bourne C. Elliman, who has charge of underprivileged child work locally.

Dr. Hawkes' inspiring address followed luncheon. Then came the reading of the International president's message in connection with the 25th anniversary of Kiwanis International. The salute to the flag followed an impressive dedication in which all Kiwanians present joined.

Among new members welcomed at yesterday's meeting was Alfred J. Nickerson, of the Gulf Oil corporation, of Boston, whose home address is 1 Schem Rd, Winchester.

—Vic Sorgenti of the Reed Motor company has earned his wings as a Pilot Ace, having trained at the Bay-side Flying School in Revere.

Flynn, Assistant Mgr. Of Glendale Co. Office

Edward T. Flynn (Photo by N. E. Photo & Camera Shop)

Edward T. Flynn, for many years a resident of Arlington, has been appointed assistant manager of the Glendale Coal company's Arlington office at 10 Medford street, Arlington Centre.

Mr. Flynn is a graduate of Arlington high school and has been employed by the Glendale Coal company for the past three years. He will assist Ralph H. Scabury, manager, in acquainting the people of Arlington with the merits of Glendale service and products.

Several Universalist Groups Elect Officers; Plan for Centennial

David Leander Peirce, 18 Davis avenue, great-grandson of Thomas Perkins Peirce, a founder and deacon of the First Universalist church, has been appointed by the trustees of the First Universalist church to make plans for the observance of the church's centennial anniversary next winter.

At the annual meeting of the Society recently Mr. Peirce reported suggestions for the nature of the celebration proposed by the following persons who met at the home of James O. Holt last week: Mr. Peirce, Mr. Holt, Miss Harriet Holt, Mrs. Marion K. Peirce, Edith N. Winn, Miss C. Florence Smith, Raymond H. Stearns, Miss Katherine Yerrinton, R. F. Needham and the Rev. Robert M. Rice. The committee also includes Frank N. Bott, Mrs. Bertha Smith and Ernest Hesselstine Jr.

Members of the Samaritan Society were greatly impressed by the juvenile delinquency problem here in Arlington in a talk by Chief Archie Bullock at the annual meeting in the church vestry a recent afternoon.

Relating the background of specific cases, without mention of names, the Chief made it clear that parents themselves provoke delinquency by failure to exercise authority or neglecting to use the power of good example. The influence of the Boys' Club as a means of encouraging constructive activities in leisure hours was explained.

Endorsement of the leadership during the past year resulted in the reelection of governing board—Mrs. Charles R. Duhig, 35 Johnson road, president; Mrs. Ernest Gray, 19 Wildwood avenue, vice-president; Mrs. John Millard Fillmore, 7 Plymouth street, secretary, and Mrs. Howard Hawkins, 58 Scituate street, treasurer. Mrs. Thomas Jones, 50 Florence avenue, and Mrs. Ernest Llewellyn, 26 Bailey road, were elected to the board for a term of three years.

Mrs. Duhig, Mrs. John O. Matthews and Mrs. Marion K. Peirce will join with a committee of the Mission Circle to make plans for a February 7.

Tea, sandwiches and cakes were served from an attractively arranged table by Mrs. Ernest W. Davis and Mrs. Arthur P. Wyman.

During the coming year Mrs. Robertine Rice will prepare the devotional services, Mrs. Robert Cummins, wife of the general superintendent of the Universalist Church, will present at each meeting news of activities in the church at large on behalf of the Association of Universalist Women. Organized at the Washington convention last October this Association unifies all the women's service groups in the denomination.

An evening of Gilbert and Sullivan music under the direction of Edward W. Center, assisted by Dr. David R. Kennedy, Russell Hamlet and Ernest Eames, drew a large attendance of Patterson Fellowship members to their annual meeting January 10 in the home of the Misses Shinn, 74 Florence avenue.

A highly interesting background story of the ever popular operettas was related by Mr. C. E. Carter and familiar solo parts were rendered by his associates. The playing of records by Alec Templeton was an anti-climax which had everyone in pams of laughter. All agreed that the meeting was one of the most enjoyable the Fellowship has had.

The election of officers resulted in the choice of Robert F. Needham for president; Lyman G. Judd, 25 Appleton street, vice-president; Alice Needham, 10 Winthrop road; secretary; Robert A. Moore, 24 Foster street, treasurer, and Mrs. Albert K. Peirce, 121 Spring street, Lexington, program director. New members include Mr. and Mrs. Henry Costa, 67 Bow street, and Mary Moore, 24 Foster street.

The Fellowship will place flowers in the chancel February 11 in memory of the late Rev. Charles F. Patterson. Mr. and Mrs. Fred Penard have extended the hospitality of their home, 12 Norfolk road, for the February meeting.

CHANGE COASTING RULES

The board of selectmen this week amended the coasting regulations whereby coasting will be permitted on Myrtle Lake drive from Web-cowet road to Hayes street.

"Poet" Washburn Again Candidate

G. Bert Washburn has gone in for poetry! Town Clerk Earl A. Ryder, who has acquired quite a reputation as a verse writer himself, was very much surprised to receive the following verse from G. Bert this week, in which the latter announced his candidacy for town meeting member from precinct 12:

I would like to enter the race, so if you, my name will place On the T. M. Member list, just in case, any voters should like my face. (Signed) G. Bertman Washburn Prec. 12

Not to be outdone, Mr. Ryder acknowledged Mr. Washburn's candidacy in the usual business-like form, but along with his official letter he penned the following message to Candidate Washburn:

My dear Bert:

Your postal card has come our way, and I am glad to state that on the 4th of March you'll find your name upon the slate. The voters then in Precinct 12 will know you're in the race—And, Bert, I'm betting you will win regardless of your face.

Yours truly, Earl A. Ryder.

The gentlemen may be establishing some precedent in town election campaigns, and there's no telling how far other candidates may go. So, if you should receive a candidate's qualifications for election, pinned to a bright red valentine within the next few weeks, don't be surprised. Leap year may have something to do with it.

Mr. Washburn should have no difficulty in being re-elected since he has served faithfully as a town meeting member ever since the limited form of town meeting was adopted in Arlington. He has missed but one meeting through all these years. He has also served as chairman of the finance committee.

Ministers Invite All to Worship in Church on Sunday

January 13, 1940

To the People of Arlington:

The Arlington Ministers association wish to avail themselves of the courtesy of the local papers to express their thanks to all who cooperated so helpfully when the Association conducted a religious census of the town in the fall.

May we urge everyone to seek out the churches in 1940 and worship on the Lord's Day, so that the spiritual lives of all may be nourished and materialism be discouraged among us.

Your Arlington ministers stand ready to serve the people of Arlington in any way they can. We offer our services to all as needed, and we ask any who desire the help or counsel of a minister of Christ not to hesitate to call upon us.

Cordially yours,
The Arlington Ministers Ass'n.

But Why Put Yourself in Mothballs?

The model illustrated is the Buick Super model 51 four-door touring sedan \$1109 delivered at Flint, Mich. White sidewall tires additional.

SUPPOSE the summer finery is packed away where the moths won't get at it—is that any reason why you should hibernate too—and miss out on a lot of grand and glorious fun?

For as you can see for yourself, the pleasure this Buick brings you isn't subject in any way to the weatherman's whims.

The elements can fairly howl—and they won't for an instant daunt the spirit of this Dynafash straight-eight power plant, or ruffle the velvet quality of its better-than-a-wrist-watch smoothness.

Winter can do its worst to the roads—and you'll yet take them for boulevards; Buick Coil Springing not only cushions all the rough spots but lays a restraining hand on skids as well.

Winds may whistle and skies grow gray—but here you're snug and secure in stout, weather-tight Unisteel Bodies by Fisher. And you're cradled in seats with fireside-chair comfort, secure in the knowledge of tires that bite and brakes that grip.

Meantime—look at the jump you're getting on the tradition-bound wait-till-spring buyers. Weeks will pass before they put their orders in—weeks in which you'll be enjoying all of Buick's six-dozen-plus new features, reveling in this Buick's spirit-lifting style and beauty.

So step out of the mothballs and step into your Buick dealer's. The prices he's quoting, delivered at your door, are actually less than you're asked for some sixes.

Not a six but an EIGHT for \$895
and up delivered at Flint, Mich.*

*Transportation based on rail rates, state and local taxes (if any), optional equipment and accessories—extra. Prices subject to change without notice.

Musical for Woman's Club

On February 1, at two o'clock, the annual musicale of the Arlington Woman's Club, will take place at the Robbins Memorial Town Hall.

A quartette from the Boston Symphony Orchestra will give a varied program of well-known compositions from the works of Mozart, Beethoven and other great masters.

The members of this quartette are Norbert Lauga, first violin; Elmar Hansen, second violin; George Humphrey, viola and Boaz Piller, cello, organizer of this quartette. Mr. Lauga of France played at the Paris opera before joining the Boston Symphony in 1928. Mr. Hansen, a familiar figure to audiences at Symphony concerts since 1926, is from Denmark, playing in light opera as a young man. Mr. Humphrey is the only native American in the quartette, born in Ohio, a graduate of the N. E. Conservatory of Music and a member of the orchestra since 1934. Mr. Piller is from Holland, born at the Hague and once a member of the Hague Symphony orchestra.

They play with the technical perfection which comes only after years of successful ensemble work.

Members are urged to invite as guests friends who will especially appreciate this fine type of music.

The Americanization classes are special guests.

There will be a tea following the concert.

Mrs. Arthur J. Mansfield, chairman of the Music Committee, is in charge of the program assisted by Mrs. George A. Butters, Mrs. Kenneth B. Hiscox, Mrs. Ralph W. Hupfer, Mrs. Walter E. Lannefeld and Mrs. Ezekiel Pratt.

Sagamore C. E. Rally To Be Held at Heights

The Sagamore Union of Junior Christian Endeavor will hold its annual rally on Sunday at 3.00 p. m. in the main auditorium of the Arlington Heights Baptist Church. The various delegations of the participating churches of the Sagamore area will be in charge of Miss A. Weinhold of Medford, Junior councillor. The various parts of the service will be taken by boys and girls of Junior age.

KINGS DAUGHTERS TO MEET

The next meeting of the Good Samaritan Circle of the Kings Daughters will be held Wednesday at 2 p. m. at the home of Mrs. John Fuller, 327 Park avenue. Assisting hostesses will be Mrs. C. Higgins, Mrs. W. G. Phillips and Mrs. L. P. Monahan.

Looking Inside

(Ed's Note: The comments in this column are not to be considered as the editorial opinions of the NEWS.)

Jan. 24, 1940. I think everyone will regret to hear that Mr. Moore has resigned as Assessor. He has been on the job a good many years—trying years—he was on when times were good and since. The job of an Assessor is no easy one even in the best of times and it must be many many times more difficult of late years. Yet, in all that time Mr. Moore has had the confidence and respect of all, even those who were trying to get their assessments changed. To Mr. Moore we extend our best wishes. My only hope is that in the scramble of candidates to fill his place we select one even half as able.

P. S. The Boys Club is up against it again. For 1940 it will get only about two-thirds enough money, to keep running, from the Community Chest. Now two-thirds of any sum is better than nothing but the budget of the Boys' Club covered just bare expenses. Can it expect the landlord or the Edison Co. to be satisfied with two-thirds of their rent and service charge? Will the heating fuel man give thirty-three percent discount on his bill? Can the director live on less than he is getting? The answer is NO. Well what are you going to do about it? You would buy a sweepstake ticket or take a chance on a blanket, why not take a chance on a Boy. The club has to have money or shut up shop.

MANY ATTEND CITIZENS' COMMITTEE MEETING

The following statement was issued by the Citizens' committee following its first meeting of the current campaign:

"If there had ever been" any doubt of the popularity of the Citizens' committee in Arlington, it was most certainly dispelled last Wednesday evening, when the first meeting of the year was held.

"According to many of the Town's oldest residents, this was the largest gathering, that has turned out for a meeting of this type in a good many years.

"It is most gratifying to the officers, the board of directors and the members to know that the voters of Arlington are so strongly in back of them, in their effort to give our Town the best possible public officials, so that Arlington may continue the fine type of Town Government, that has been traditional.

"By the time this paper goes to press, the members of the committee will have elected the people, who are to serve on the important qualifications committee. This committee would like to receive the written qualifications from every candidate, who aspires to public office. Each candidate may be assured that he will receive honest, fair and impartial consideration.

"After much careful thought and deliberation, the members of this committee will recommend to the Board of directors and the entire membership of the Citizens' Committee, the candidates that they honestly feel that the town needs at this time.

"The voters of Arlington, showed by their attendance and interest, in the past meeting that they intend to support these carefully investigated and endorsed candidates, by even a larger majority than last year.

"With this support, the Citizens' committee will look back and take satisfaction in a job well done, not on election day but during the year, when anyone, who is devoted and interested in our Town may honestly say that Arlington is managed by experienced, capable and courteous Public Officials, in other words the qualified candidates."

Last Sunday Night! The Baptist Church was filled! With every listening Soul Divinely thrilled! As Harry Kruener and Foster Brown's fine band Brought Offenbach and Bizet close at hand! God-given night! how could it fail to please, These gems of music! Holy Symphonies?

Last Sunday Night! Yes every Soul was singing! Thru the God-blessed Church the songs were ringing! "God Bless America" rang with inspired zest With leader Huston functioning at his best! Then came the treat! A prophet before us stood! Christ's chosen Prince of human brotherhood! Dr. Feagan preached to banish fear and sorrow! His super effort! "The Greater Church of Tomorrow!"

Guns won't stop war! Nor bombs from cloudy skies! The hell in men can never be otherwise! Unless men turn upon the reddened sod And hear the message of a forgiving God! A world may be lost and closed fair Zion's Gate! Join this MEN'S CLASS! It never is too late!

Medford Ties Locals, 3 to 3

By DICK ROWE

Going into the third period, with victory in their eyes, the Gray-Ghosts of Arlington were stopped by a revamped Medford sextet, and the best Coach Downs' boys could get out of the contest was a tie.

Medford's Billy Riley was the star performer of the game, getting all his team's goals. Riley scored his first goal in 40s. of the first period to put Medford in the lead. It took Frank Sullivan to tie the score at 7:25, when he took a pass from Don Moore, and banged home the rubber. Capt. Bob Sanders put his club in the lead when he soloed the length of the ice on one of the prettiest goals of the game.

Arlington increased its lead when Ed Burns scored in exactly 53s. of the second period when he took a pass from Tom Connolly.

Medford certainly got going when the third period opened, for Billy Riley had scored two goals inside of 1 minute to tie up the game. The rest of the period was rather a see-saw affair with both teams pressing in order to score, but the game wound up in a 3-3 tie. Johnny Spinner again turned in a swell performance in the nets for A. H. S.

Arlington High Quintet Wins in Closing Minutes

By Bill Dale

Fighting back after momentarily falling behind, a superior Arlington quintet eked out a victory over Waltham Tuesday at the high school gym.

It was really a double victory since it marked the complete annihilation of the jinx which has followed the Red and Gray all season. Arlington led from the opening whistle but Waltham came fast in the second half to go into the lead, 26-25. This was an Arlington day however, and they weren't to be denied a victory. Glennon sank a beautiful basket from well out on the floor and followed it with a successful foul shot. "Shorty" Lane played well for the visitors getting 5 baskets. The whole Arlington team deserves credit for a fine game and for coming back after those tough losses.

Arlington goes to Brookline today to revenge an earlier defeat.

Community Fund Drive Launched

During the next 10 days the communities of Greater Boston will be engaged in a united, determined drive to over subscribe the 1940 goal for Greater Boston's Community Fund, \$4,625,000, the minimum amount necessary to carry on the vital services of the more than 175 hospitals, health and social service agencies. Arthur P. Wyman is chairman for Arlington.

Booklets describing the services rendered by Greater Boston's Community Fund agencies to the residents of each of the cities and towns in the Metropolitan area have been distributed to local campaign workers.

Among the highly suggestive figures revealed by the booklet is the high percentage of service given by the Fund agencies last year to the people of Arlington and other communities outside the Boston city limits.

The figures show that 68 per cent of patients in all Community Fund hospitals, 44 per cent of children under the care of Community Fund child-placing agencies, 49 per cent of those in Community Fund homes for the aged, 54 per cent of patients in Community Fund convalescent homes and 78 per cent of mothers in Community Fund maternity homes, came from outside Boston.

INJURED WHILE SKATING

Arlington Featured On Jordan Marsh Co. Broadcast over WBZ

Arlington was given quite a boost recently when this town was featured on the Jordan Marsh "Parade of Cities" broadcast over station WBZ. Highlights of the town's history were given during the broadcast at conclusion of which Town Treasurer Charles A. Hardy was introduced. He said:

"Arlington is a town of much historic interest, with citizens who are patriotic and public spirited. Its topography is quite interesting. There are long ranges of hills and valleys between; the Mill Brook coming down from the north through its center, the lovely Mystic Lakes on the Northern border, the Mystic River between Arlington and Medford, the improved Alewife Brook on its Southeastern boundaries, and beautiful Spy Pond make of Arlington a very attractive town.

"Arlington was originally a part of Cambridge, which was founded in 1630. It was known as Menotomy until 1807. The settlement was then incorporated and called West Cambridge. The name was changed to Arlington in 1867. No one seems to know whence came the name, but I think probably it may have originated from 'Arling'—an old English word meaning ploughman and 'ton' for town. It certainly was a ploughman's town, for nearly three centuries—as it was a prosperous market-gardeners' town until recently.

"The land is no longer tilled but the farms have been cut up and developed into attractive homes. In all sections we find a boom in real estate developments during the last few years so that now our population numbers 40,000. From these figures it is evident that Arlington might be a city, but the citizens feel satisfied to have a town government instead, under the limited Town Meeting form.

"The famous Jason Russell House, where so many patriots were killed April 19, 1775, has been remodeled into its original form and is maintained by the Historical Society as a lasting monument to the men who so valiantly fought for liberty. A century ago, the first children's library in the United States was started here, and we now have two fine library buildings, over a dozen modern school buildings, a beautiful Town Hall, set in an attractive park, fine streets, and sewer and water systems, also many parks and playgrounds.

"The financial condition of Arlington is exceptionally good. We have a dozen fine churches in our town. The fire department has

Will Organize Hockey League

All boys of Junior High school age and over, interested in entering their ice hockey teams in a league, are asked to send the names of their teams to either Leonard Collins, Supervisor of Federal Recreation in Arlington, or to Johnny Lax at the Robbins House in Arlington.

The entries will close at 7 p. m. Monday, January 29, when a meeting will take place for all boys interested. Johnny Lax will have charge of this sport, and will conduct a hockey school during the rest of the winter, and discuss the rules and fundamentals of hockey.

Mr. Lax is well known both here and in Canada both as a player and an official. The meeting will be next Monday night at 7 p. m. in the Junior High East gymnasium.

Excellent Cast for Coming High School Play

An excellent cast will be seen in Channing Pollock's "House Beautiful" when it is presented by the Arlington high school dramatic club at the Robbins town hall on February 3.

The play is also most unusual in setting and theme. It is the story of a home founded on sacrifice, love and honesty, a home kept beautiful in spite of the menace of zoning laws, politicians, careless youth and even death. Novel staging including two stages and unusual lighting effects feature the play.

Fleet Reserve Ass'n., To Install Officers

The installation of officers of Mystic Valley Branch No. 32 Fleet Reserve Association of Arlington and its ladies auxiliary, will be held Sunday afternoon at 2:00 o'clock, in the I. O. O. F. Hall, 661 Mass. Ave.

At the same function the dedication of colors will take place. There are three up-to-date fire stations, and the Police Department is one of the best in the State. Arlington is a town of homes, its citizens are public spirited and we are proud of our Town."

Will Repeat Operetta At Jr. East Tonight

The operetta "The Beaver Trail" will be repeated for the public at Junior High East at 8 o'clock tonight.

The plot of "The Beaver Trail," an unusually interesting one, is built around the famous historical character of Kit Carson, played by Daniel Alexander and Chico, an apache Indian Chief, played by Michael McGoldrick. Many of us recall reading, not so long ago, about Kit Carson, the brave intrepid trapper and scout but we may not recall much about Chico. However, suffice it to say that he was a kidnaper, both fierce and cruel. The story told in "The Beaver Trail" is that of the struggle between these two characters, with Kit Carson, finally subduing the lawless Indian marauder.

With Eugene Leonard playing the part of the very ritualistic Generalissimo Don Castro de Fur-below and Alfred Covell the part of Emilio de Piccolo, we are assured of a none too serious evening.

Depicting life in the neighborhood of the Mexican border about 1846, "The Beaver Trail" tells its story musically in two acts and four scenes. Several departments within the school are engaged in this production. Costuming is being done by the girls of the ninth grade under the direction of Miss Forsyth; scenery by students in Miss Hilton's Art Department; stage management and properties by students under the direction of Miss Bourdon; construction by many enthusiastic young builders under Mr. Mott's direction; printing by students in Mr. Thompson's classes.

Winners in "The Beaver Trail" poster contest, in which Junior High School East pupils competed, were announced Friday afternoon after the best entries had been judged by three citizens. Gertrude Wade's poster was judged the best; Thomas Peirce's won second prize and Janet Spidle's entry won third prize. The posters publicize the operetta to be presented at the school tonight.

Curry Has More Than His Share of Bad Luck

When the auto operated by Frederick H. Curry, Jr., of 76 Hillside avenue, ran out of gas while he was driving along the Concord turnpike early Wednesday morning, things went from bad to worse.

There was no gasoline station around and Curry was obliged to park the car on the turnpike, opposite No. 440 while he started to head for the nearest station in the bitter cold. A few minutes later a two-ton truck operated by Arthur E. Buswell, of Somerville crashed into the parked auto. Both Curry's car and the truck were considerably damaged. Fortunately no one was injured.

By George S. Coburn, Jr.

The 803 Record Club takes great pleasure in announcing a special price on a record player which includes all the features of the wireless record player PLUS the advantage of being able to talk through your radio without any connecting wires. This set includes a record player attachment, a microphone and a coupling unit. It is a regular \$20. value and during this special sale is selling for only \$13.75. By merely turning your radio dial to 1020 kilocycles and plugging the record player and coupling unit into any electric socket, you will be able to not only play records through your radio without attaching any wires, but also to put on miniature programs of your own by using the microphone. Take advantage of this offer NOW. It will be in effect for a short time only.

In keeping with our policy of reviewing an album of exceptional merit each week, this week's selection for review is Rimsky-Korsakov's LE COQ D'OR (The Golden Cockerel) as played by The London Symphony Orchestra conducted by Eugene Goossens. This set (Victor No. AM 504) embraces six sides and sells for \$5.00 complete with album and descriptive booklet. The London Symphony Orchestra's interpretation of this Rimsky-Korsakov's last work was first released in November, 1938 but did not get the attention it deserves because it was released at the same time that several ballet pieces were being featured and was somehow overlooked. Few listeners will fail to recognize the "Hymn to the Sun", the Prologue and the Bridal March from this suite. The Golden Cockerel has been produced both as an opera and as a ballet and has been acclaimed by many as rivaling musically the beautiful melodies of the Scheherazade Suite. Eugene Goossens interprets poignantly melodies for which the

suite is noted.

CAPRICCIO ITALIEN (Tschalkowsky, Opus 45) (Victor M-632) By the Boston "Pops" Orchestra under the direction of Arthur Fiedler. The Boston Pops come through doing their usual excellent work with a recording of what I believe is the only complete recording of the Tschalkowsky Capriccio Italien ever made. This brilliant and colorful work, portraying everything an orchestral work can have will be available sometime this week.

I heard Jack Teagarden being interviewed over the air the other morning and thought you might be interested in hearing some of his opinions on music. He doesn't believe there has been much of a change in the general dance music but that there is a decided change in the way it is being played. Namely, that the top-flight arrangements, incorporating harmony to a fuller extent, are a great improvement over "just getting around a piano and playing". His idea of a top-notch band is one with an excellent arranger, good fundamental men and a man who can take the solos and really play. He thinks that Benny Goodman still has some of the best men in the business and therefore has just about the finest all-around band.

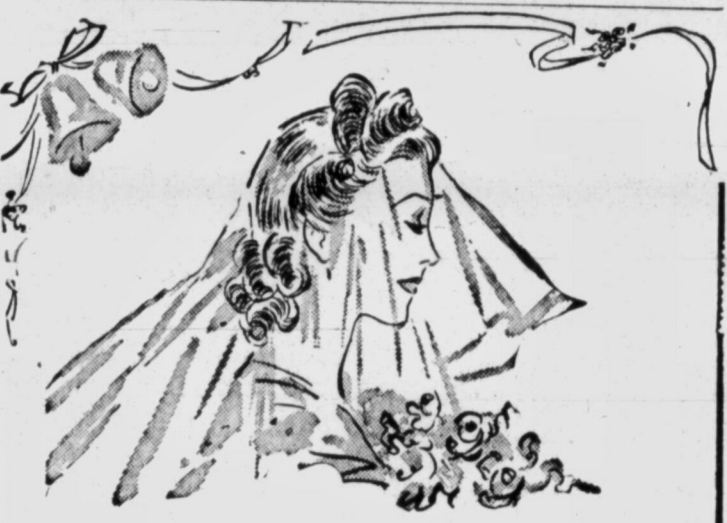

POPULAR REVIEWS

RECORD - OF - THE - WEEK
This record created a sensation when it was released on Brunswick, selling for 75c, and ought to create just as much of a sensation now that it's released on Columbia selling for 50c. The tune is IN AN 18TH CENTURY DRAWING ROOM by The Raymond Scott Quintette. It's the same arrangement, the same band, the only difference is the price. The coupling is BOY SCOUT IN SWITZERLAND.

WOODCHOPPER'S BALL (Decca) This week's revival is of a tune popularized by "The Band that Plays the Blues", Woody Herman. It was released over a year ago and still is of top-notch variety. It rivals in the mood with the smooth ensemble work and arrangement, not to mention the clarinet, trombone and tenor sax solos, BIG WIG IN THE WIGMAN reverses.

YOU'D BE SURPRISED (Columbia) Orrin Tucker with Bonnie Baker on the vocal. Did you like OH JOHNNY? STOP IT'S WONDERFUL? PINCH ME? You did? Then let nothing stand in your way of adding this, the best yet to your collection. It's another old-time limer in Bonnie Baker's inimitable style. LITTLE GIRL, with vocal by Orrin Tucker reverses.

RELAXIN' AT THE TOURO (Bluebird) This is a mood for you Hot Jazz enthusiasts. Worth of mention is Muggsy Spanier's cornet solo, the clarinet of Rod Cless played in typical "blues" fashion, and the solid bassing by Bob Casey. RIVERBOAT SHUFFLE reverses and is played in real Dixieland style. The result is real rhythm out of which we collect Spanier's cornet again, and Bob Casey's bass.

WINTER CONDITIONING

"Winter Conditioning" does more than merely cut down your fuel bill. It checks cold drafts and prevents fogging on windows. It is essential to satisfactory winter air conditioning with its higher healthful humidity. Cold glass surfaces condense the moisture carried by indoor air and thus cause fog, frost or even dripping water to form on the window panes. We want this moisture. It keeps us in better condition to resist colds and respiratory diseases but we do not want fogging or frost on windows nor water running over our window sills.

"Winter Conditioning" keeps the inner pane of glass comparatively warm even though the outer pane may be as cold as the outdoor air.
